## Personal statement

I am a versatile dancer who is both passionate and determined within the performing arts. I've enjoyed utilising my experience by previously supporting Steelpointe theatre arts dance classes teaching the younger generation of dancers. I am highly motivated and endeavour to give 100% which shows throughout both my rehearsals and performances. As a performer I am enthusiastic, passionate and eager to learn new skills and convey them with the desire to perform to an audience. Taking on feedback is a unique gift as I use this to grow, adapt and reflect on each and every performance, to enhance my ever growing want to be on the stage. I'm also an avid crocheter where I enjoy making blankets and scarfs to pass onto charity such as shops/school summer fairs.
